DIVISION OF ANATOMIC PATHOLOGY
AP QA MEETING

Thursday, February 9, 2012
8:00 – 9:30 am
Dow Auditorium, Towsley Center

AGENDA

8:00 – 8:10  Introduction and Welcome – Jeffrey Myers

8:10 – 8:30  A Prostate Tale – Rebecca Heberlein-Rollins and Danielle Fritzsche

**GOAL:** Implementation of the new CoreDish to streamline the accessioning and grossing of 12-part PBX cases.

8:30 – 8:45  I gave you my heart, now I want it back! – Bill LaLonde Jr.

**GOAL:** Restructuring and standardization of waste management for Surgical Pathology

8:45 – 9:10  Why do we have a high rate of unsatisfactory nasal brushing samples for ultrastructural examination cilia?

**GOAL:** Potential causes and countermeasures for the laboratory and our clinicians (“suppliers”).

9:10 – 9:30  Follow-up: Improving Efficiency of Ordering Inventory and Tracking Orders; From Idea (Excel) to Implementation (Web Site)

**GOAL:** How a web-based ordering system provides a streamlined solution to the problems of managing inventory.
