

MELANOMA SENTINEL LYMPH NODE PROFILE

Site: _____
Not specified

SLN #: _____

Count: _____

Blue dye: Yes No

Diagnosis: Positive
 Negative
 Other

H and E:	Positive	Negative
S100:	Positive	Negative
Melan-A:	Positive	Negative

Tumor Burden/size of largest metastatic focus: _____ mm (____% surface area)

Location of metastatic tumor: _____

Extracapsular extension: Present
 Absent

Benign nodal nevus: Present
 Absent

Preferred block for molecular testing: _____

[Insert following only at the end of the last SLN profile]

Total number of nodes examined: _____

Number of sentinel lymph nodes examined: _____ / Number of lymph nodes with metastases: _____

pT_ N_
